

PRESS RELEASE

Delhi Traffic Police, Northern Range

Subject: Special Helmet Enforcement Drive Conducted Across Northern Range Traffic – 751 Violators Prosecuted.

New Delhi, 31.08.2026:

On the directions of DCP Traffic, Northern Range, a special enforcement drive was conducted across the Northern Range Traffic jurisdiction on 31.08.2026 against motorists found driving without wearing helmets.

The drive was aimed at promoting road safety, ensuring compliance with traffic rules and preventing serious head injuries in road crashes. Traffic personnel remained deployed at strategic locations and took strict action against riders violating the mandatory helmet rule.

During the enforcement drive, a total of **751 challans** were issued to motorists found driving without helmets across the Northern Range.

The Traffic Police reiterated that wearing a helmet is not merely a legal requirement but a crucial safety measure that can save lives. Citizens are advised to wear a standard, properly fastened helmet while riding two-wheelers and to encourage pillion riders to do the same.

Northern Range Traffic Police appeals to all road users to follow traffic rules and adopt safe driving practices to make Delhi roads safer for everyone.
