FOR RAILWAY STATIONS

Passengers will be able to use their private vehicles, TSRs, Taxis for travelling to New Delhi Railway Station and Old Delhi Railway Station. However, in case of road journey they may face some congestion and consequent delays. Therefore, they are advised to keep sufficient time at hand. For easier and more convenient access to railway stations passengers are advised to make maximum use of Metro services.

FOR AIRPORT

Passengers will be able to use their private vehicles, TSRs, Taxis for travelling to Airport. However, in case of road journey they may face some congestion and consequent delays. Therefore, they are advised to keep sufficient time at hand. For easier and more convenient access to railway stations passengers are advised to make maximum use of Metro services, especially the **Airport Express Line** connecting New Delhi Station to Dwarka Sector 21 Station via **IGI Airport T3**.

CITY BUS SERVICES

City Bus Services will not be affected at large. However, they may be diverted from certain road stretches in New Delhi District depending upon the real time traffic situation.

Motorists are requested to have patience, observe traffic rules & road discipline and follow directions of Traffic Police personnel deployed at all intersections. People are also requested to plan their journey in advance with sufficient time at hand to avoid inconvenience.
